Dear Camp Families,

Welcome to Kents Hill Sports Camp! This handbook is designed to help you prepare for your daughter's summer at camp. We hope to answer many of your questions and give you an overview of the planning necessary for a successful summer.

The handbook contains information regarding our policies and procedures, travel to/from camp, communication throughout the summer, a packing list and much more. Returning families are asked to review the Parent Handbook each year. We will notify you in the mailings if there are any changes or new policies for the upcoming summer in addition to highlighting them in this handbook.

CAMPINTOUCH/PARENT PORTAL

CampInTouch is our online parent portal that you experienced when you registered your daughter for camp. Through this portal, you can access and maintain your daughter's information, such as address, phone, email, and emergency contacts. You can also complete forms required for attending camp, including the camper application, medical forms, camper profile, activity selection, and more. Additionally, you can review and update your financial information and make online payments at your convenience. While your daughter is at camp, you may use CampInTouch to access the photographs that are posted each day and to send her one-way emails, which are printed and distributed daily.

In addition to using your CampInTouch account, we encourage you to use the **Campanion App**, which includes unique features and additional functionality, to further connect with your daughter's camp experience. Download the [Campanion App](#) on your phone and login using your CampInTouch email/password. The app uses facial recognition to sift through hundreds of photos and tags each child to create a stream of content personalized to every parent. The photos through the app are free to download and share. We strongly recommend you set up the [Campanion App](#) before the first day

of camp as the facial recognition is applied as pictures are uploaded. It does not match previously loaded camp pictures. The pictures posted via CampInTouch/Campanion are password protected. You may also use the app to complete camper forms and to send one way emails to your camper during the summer.

*Please note that the forms which are required to be printed, filled out, and returned, can be uploaded in the Campanion app by using the camera on your phone.

If you need any assistance accessing your CampInTouch account, we are here to help!

You can always contact CampMinder at 303-444-2267 for tech support, our camp office at 866-271-9691, or email us at info@kentshillsportscamp.com for further assistance.

WHAT TO PACK

The campers should bring clothing for their majors and the dress for all other camp activities is casual. Please try to not bring more than the amount indicated next to each item on the packing list. Space is limited, and many children have difficulty organizing and keeping track of too many belongings. Every piece of clothing and equipment that comes to camp should be labeled, using either sticker/sew-on/iron-on name tags, permanent markers, or permanent name stampers. Please use your daughter's full name (not initials) when labeling. Although laundry is washed individually, things inadvertently get misplaced. Your child's clothes are sent out to the local laundromat. They are picked up and will be returned to camp washed, dried, and folded two days later. We repeat this cycle twice while at camp. Please follow the packing list. closely below and be sure not to overpack. If your child wears glasses or prescription sports goggles, please send an extra pair to camp. If your child wears contact lenses, send extra contact lenses and solutions which will be kept in our Health Center.

Girls like to bring patriotic clothing/accessories for July 4th. There are also theme days throughout the summer. We will email you with this information as we get closer to the start of camp.

We recommend you send a white t-shirt to tie dye and some extra red and white for Color War.

Each camper will receive an official camp t-shirt when they arrive, which will be worn when out of camp or during intercamp competition. If you would like other official Kents Hill Sports Camp clothes and merchandise, you can visit our [ONLINE STORE](#).

Most importantly, please do not send your child to camp with any candy/food. We are a 100% nut free facility and we do not allow food in the dorms.

- ▶ CAMERAS AND ELECTRONICS (SEE ELECTRONICS POLICY)
- ▶ ELECTRIC BLANKET
- ▶ THUMB TACKS OR PUSH PINS
- ▶ HOOP AND HANGING EARRINGS
- ▶ FOOD AND DRINKS
- ▶ SLIME, SILLY PUTTY, SILLY STRING, OR OTHER STICKY/SLIMY SUBSTANCES
- ▶ SCOOTERS, HOVERBOARDS, SKATEBOARDS
- ▶ KNIVES, LIGHTERS, SCISSORS
- ▶ ANYTHING THAT WOULD UPSET YOUR DAUGHTER IF IT WAS LOST!

ELECTRONICS AND DEVICES POLICY

Every year we spend a lot of time contemplating our electronics policy to provide the best possible camp experience for your child. We want to help you and your daughter understand the challenges that some technologies pose to the camp experience and the fundamental reasons why we don't think certain devices belong in camp.

Many of our children rely on electronic devices as a source of entertainment and a vehicle for socialization where play is often centered around the newest game or app.

Reading, playing cards, writing letters, puzzles, and especially talking are often eclipsed when electronics are accessible. Without the distraction of cell phones, TV, iPads, laptops and video games, campers are able to spend quality time interacting with their friends on a human level. Even with all the fun activities going on in camp, one of the best things is spending time in the dorms with your friends. The “down times” at camp are a great opportunity for campers to shape the strong bonds that we expect will be formed at camp.

Therefore, with the exception of calls home on Sundays (see policy below), we don't permit campers to engage in any kind of screen activities, including texting, connecting to the internet, playing video games/apps or watching TV/Movies. Even though capturing memories through photographs and videos can bring lots of joy there are also times when taking pictures and videos can be disruptive and hurtful. This includes taking/posting pictures without someone's knowledge or permission. A picture that portrays negative images could damage a person's and/or camp's reputation. We have also seen a cultural change with children's desire to record every moment but we feel that camp is about living in the moment. Our camp photographers will work hard to capture the smiles and memorable moments from the summer for campers to enjoy over the winter. We do not permit campers to have iTouches, cameras (including Polaroids and disposable cameras), video cameras/GoPros, or e-readers (Kindle/Nook) – basically anything with a screen - in the dorms. This policy will not only protect people's privacy, it will allow campers to be themselves without worrying about being recorded. It will keep campers from spending time on their devices taking and editing photos and allow them to be more engaged in camp activities. We do believe that listening to music in the dorms, individually or as a group, is compatible with camp life. Whether it's singing together during clean up or helping campers to unwind at night, we feel that music is good for the soul. Therefore, we do permit MP3 Players at camp. If campers/staff want to listen to music outside of the dorm with speakers that's okay too but they may not walk around campus with earphones on.

ELECTRONICS PERMITTED AT CAMP AND IN THE DORMS INCLUDE:

MP3 Player: We support the Campfire Player. In addition, here are a few examples of less expensive devices: The Mighty MP3 Player, a refurbished iPod Nano or Shuffle (Amazon) and the SanDisk Clip Jam/ Sport/ or Sport Plus.

All devices should be labeled with your child's first and last name.

ELECTRONICS NOT PERMITTED INCLUDE:

Cell Phone/Texting Device (with or without SIM Card)* Apple Watch or any other brand of smartwatch (see cell phone policy below)

iPod Touch

Camera, including Polaroids and disposable cameras Video Camera/GoPro

E-readers

Video Games, iPad, Laptop/Computer, TV

If a camper violates these policies and is found to have a device other than what is turned in on the first day of camp, the device will be confiscated and sent home at the parent's expense.

**If your child leaves camp for a trip, she will be chaperoned by staff members who have a cell phone that can be used to stay in touch with camp.*

CELL PHONES

Each camper is allowed one device (cell phone, iPad) that can be used for phone calls home. We will collect this device, along with a charger, upon arrival to camp. On Sunday after lunch, following the first and second week of camp, the devices will be redistributed for phone calls home. If your child does not have a device, she will call from the camp office. We will communicate the timing of phone calls a few days in advance.

SOCIAL MEDIA POLICY

We view social media as a great way to keep in touch with friends, and encourage our campers to stay connected over the winter. When communicating with our camp family, we expect the same good judgment and respect that we do while we are together at Kents Hill.

Unfortunately, once in a while we find the actions of a few campers at home have negatively impacted other campers and it has led to hurt feelings, exclusion, and even someone not returning to camp.

Pictures and posts can also damage a camp's or individual's reputation. If you choose to identify yourself as a camper at KHSC on social media some may view you as a spokesperson for camp. Keep in mind that even private postings may become public and can reflect poorly on yourself or our camp and others.

We ask that in order to continue the philosophy we carry out during the summer, our campers follow the guidelines below when referring to camp, its activities, campers, and/or staff on social media.

Campers must be positive and respectful in ALL communications related to camp, other campers, and its staff.

No use of obscenities or vulgar language.

Do not say mean, humiliating, or threatening comments to or about other campers or staff, including their family members.

Do not post pictures or videos online that could embarrass or violate anyone's privacy.

Do not pose as another camper online or spread false information about anyone, or say damaging things to or about anyone.

Do not ever use social media to harass, bully, or intimidate other campers or staff. A behavior that constitutes harassment and bullying include, but are not limited to, comments that are derogatory with respect to race, religion, gender, sexual orientation, or disability.

Negative depictions of KHSC or its logo, name or other identifying characteristics on any form of social media are strictly prohibited. Kents Hill Sports Camp has its own social media platforms that are the official accounts of the camp and campers are encouraged to join. They are not permitted to create accounts posing as the camp.

WE RESERVE THE RIGHT TO REVOKE A CHILD'S ENROLLMENT FOR THE COMING SUMMER IF SHE VIOLATES ANY OF THE ABOVE POLICIES

If your child receives an upsetting or threatening message, here is how you can support your child:

Do not respond to the message or retaliate because it might encourage the sender or get you into trouble.

If possible, take a screenshot of the message, copy it /or print out a copy. Then close it, but do not delete it.

If you suspect that the sender is from camp, call us immediately. In the rare case where there is a negative message to other campers or staff, our policy is to first call the parents of the camper who sent the message and share the content with them.

We think it's great when everyone stays in touch and uses social media in a positive way! Please consider other people's feelings when communicating through social media, so that every camper and member of our Kents Hill community feels valued and safe.

HEALTH CARE

We have two nurses on campus who are on call 24 hours a day, so there is always a healthcare professional on duty. When a camper stays overnight in the Health Center or receives medical care that is beyond normal first aid, the nurse or the directors will call you. If your child is admitted to the Health Center at night for something relatively minor, such as a fever or upset stomach, we will call you the following morning.

If your child has a dental or orthodontic problem that arises at camp, we will call you. If your daughter wears braces, please send up extra wax. If your child wears glasses please send up a second pair. We will keep the second pair in our health center and we will let you know if she is unable to use her original pair for any reason.

Our Medical Staff and Directors review each camper's medical history carefully before her arrival at camp. The more we know about your child's medical history, the better care we can take of her. Information pertaining to her psychological development can also assist us to make this a successful camp experience. Please advise us if your child has recently worked with a therapist or has come in contact with any contagious disease after June 1st. If you have any last-minute questions or concerns, feel free to reach out to the Health Center or Directors at info@kentshillsportscamp.com

CAMP MEDS

We require our families to use CampMeds pharmacy for packaging of all medication in pill form. We will only dispense pills that have been dispensed and packaged by the CampMeds pharmacy (you can login to your CampInTouch account to learn more about CampMeds and to enroll your child for the summer). CampMeds will manage both prescription and non-prescription medications, encompassing vitamins and supplements. All medication in non-pill form should be clearly marked and sent to camp via FedEx or UPS, to arrive no later than one week before the start of your session. This will give our nurses time to review and organize all medication and allow them time to contact you if further information is needed prior to the start of camp.

If your child requires medication that needs to be refrigerated, the counselor at your departure point will collect it. If your child needs the medication while on the bus to camp, please give that dose to the counselor with your child's name and the time she needs to ingest it. Do not pack medication in your child's bag.

LICE

It is IMPERATIVE that you check your child's head thoroughly several times each week for at least TWO WEEKS up until the day she leaves for camp. If you do not have experience checking for lice, please seek professional advice (head lice professionals, online videos, school nurse, pediatrician, etc.)

An excellent site for getting all of your questions about head lice answered is www.headlice.org. WE STRONGLY RECOMMEND THAT YOU BRING YOUR CHILD TO A LICE PROFESSIONAL TO GET CHECKED WITHIN 2 WEEKS PRIOR TO THE START OF CAMP. Camp will conduct lice checks on the first day of camp. Please be aware, if your child is found to have lice upon arrival or at any time during her 3 week session, treatment and cleaning of belongings will be provided at the expense of parents.

MAIL, EMAIL AND PHOTOS

Every day, you will be able to view pictures about what went on the previous day using your CampInTouch account/Campanion App. This will help you follow and share in your child's camp experience. Through your CampInTouch account/Campanion App, you will also be able to send one-way emails to your child. Emails are printed and delivered along with the regular mail after lunch.

If you require technical assistance with your CampInTouch account/Campanion App, you may contact CampMinder at 303.444.2267.

It is also important that you write to your child throughout the summer. We have found that most children prefer 'snail mail' because they like to see their parent's handwriting. Mail delivery to camp can be slow, both ways, so please take that into consideration when sending. Some parents will write a letter before their child leaves for camp so they have a letter or email waiting for them when they arrive.

Please send pre-stamped and addressed envelopes for your child to use for outgoing mail. Include the address of friends and family that your child may want to write during the summer.

Letters should be sent to the following address:

**Kents Hill Sports Camp
Your Daughter's Name
PO Box 405
Kents Hill, ME 04349**

PACKAGES

Packages can create competition amongst campers and parents. In an effort to promote a non-materialistic camp environment and in fairness to all campers and parents, our camp has implemented a NO package policy. This policy extends to all parents, relatives and friends. In order to ensure fairness, this policy will be strictly enforced. Any package received will be returned to the sender.

If your child forgets to pack or needs an essential item, please contact us at the camp office and we will arrange for your child to receive these items. If your child has a birthday while at camp, they are allowed to receive ONE birthday package. Please ship: attention "OFFICE-BIRTHDAY PACKAGE", your child's name and the date it should be delivered to your child. As always, your cooperation is greatly appreciated.

HOMESICKNESS

Homesickness is a common, normal emotion felt by many children when they come to camp. Most children need a few days to adjust to life at camp and being away from home. Remember—No news is good news!

We will keep close contact with your child's group leader and head counselor to find out how she is adjusting. If there are any concerns we will give you a call.

We expect that every child will experience some form of missing home during the first few days of camp, especially during down time, by thinking of their family, home, pets or friends. Our staff members are warm and caring and are there to help your daughter along the way. With help from our staff and other campers, we are confident that your daughter will get involved and become a full participant in her major and the exciting camp activities we have planned for her!

While we are well equipped to help campers work through their homesickness, there are many things that you can do before camp to prevent homesickness. Below are some tips for preparing your child for the feelings of missing home.

- Let her know that it is very normal and even expected that children experience some feelings of missing home
- Help her to understand that missing home is a sporadic feeling and that most of the time she will be active and have lots of fun
- Reassure her that you will be writing letters and sending emails
- Communicate your confidence in her ability to handle being away from home
- Include your daughter in camp planning

- It is a great idea for your daughter to bring a stuffed animal, photos of home, or anything that will be comforting to her
- Let your daughter know that she can always talk with her counselor, group leader, or head counselor if she is missing you. Our counselors are trained to recognize and handle homesickness. They are very caring and will be there to comfort your daughter.

And of course there are things **NOT** to say which would make it harder for your child to adjust to camp:

- Please do not make promises or ‘private deals’ with your child, such as, “If you don’t like camp after one week, I will come and get you”. These comments tend to undermine a child’s ability to get through the transition from home to camp life. When parents are supportive of efforts to stay at camp, campers have the opportunity to gain independence and self-confidence while spending valuable time away from home. You are our best ally! Of course, you are always welcome to contact us for an update.
- Avoid telling your daughter about exciting things that are happening at home that could make her jealous. You can include in your letters and emails some of the mundane activities that you do every day (i.e. “Today I went to the gym...”) but the majority of the letter should be inquiring about her experiences at camp.
- When you write to your daughter and tell her that you miss her, let her know that even though you are thinking of her, you are proud of her and are so happy that she is making friends, learning new skills, participating in the camp sports, etc.

GENERAL RULES AND POLICIES

1. Kents Hill Sports Camp will not tolerate disrespectful and/or inappropriate behavior to peers or staff. We also do not tolerate bullying. Campers displaying this behavior will be asked to leave
2. Vaping, drugs, and alcohol are strictly prohibited. **Any camper disobeying this rule will be required to be picked up immediately.**

3. Any camper defacing camp property will be billed for damages and will be asked to leave camp. Kents Hill is given to us in pristine condition and we have made a promise to the school that it stays that way.

*** All campers will sign a statement when they arrive at camp that they understand all policies and agree to abide by them this summer.**

***No refunds will be issued for a camper who is sent home**

DISRESPECTFUL BEHAVIOR AND BULLYING

At Kents Hill Sports Camp, we are committed to providing a safe and nurturing environment for all of our campers. We believe that every child has the right to feel safe and respected, and we take incidents of inappropriate, disrespectful behavior and bullying very seriously. We expect every member of our camp family to adhere to the standards of conduct and respectful communication, which are essential for fostering a community where everyone is treated with respect and dignity.

Our anti-bullying policy is designed to create a culture of respect and inclusivity at camp. We expect all of our campers to treat each other with kindness and we have zero tolerance for inappropriate and bullying behavior.

If a camper is found to be engaging in this type of behavior, we will take immediate action to address the situation. This may include disciplinary action, or even expulsion from camp, depending on the severity of the incident.

We also encourage parents to partner with us in preventing bullying behavior. We also ask parents to communicate with us if their child has experienced bullying behavior in the past, so that we can take appropriate steps to ensure their safety at camp.

We believe that by working together, we can create a safe and supportive environment for all of our campers and staff. If you have any questions or concerns about our anti-bullying policy, please don't hesitate to reach out to us.
